The Missouri International Trade & Investment Office is leading a mission to the Aerospace & Defense Supplier Summit, a unique forum where the global aerospace sector meets to talk business. Sponsored by Boeing and with over 850 companies in attendance from 40 countries, A&DSS provides businesses in the aerospace supply chain with outstanding networking opportunities. OEM's, Tier 1 suppliers, subcontractors, and international service providers will all meet in Seattle – the largest aerospace manufacturing hub in the world.

The Aerospace & Defense Supplier Summit Seattle is a supply chain event that brings together aerospace and defense primes, tier suppliers and contract-manufacturers. Engineering, procurement, supply chain, fabrication, commodity teams, suppliers and service providers will meet through pre-arranged one-on-one meetings.

A&DSS Seattle is the venue where requirements meet technologies and capabilities without the distractions found at traditional exhibitions. This event was completely sold out when it was held last time in 2016, so don't wait to secure your participation as soon as you can.
